We have been 12 years getting ready for the call, for you can't always tell when it will come. Can't always tell just what day will be the day, or what hour will be the hour that you come, all rushing at once to get this or that in new summer things. So we must

Be Ready

every day, ever hour in the day; and we are ready—good and ready—so that should it be you this hour calling, there shall be prompt and courteous service and no possible dissatisfaction.

We Are Ready With

Clarksburg's larger collection of Women's new Summer Clothes and fixings.

Ready For You

**Store Will Be Closed
Monday 31, Decoration Day**

This Very Night An Even Hundred Blouses, \$1.05 Special

Whenever we use the word "Special" it means extra good, extraordinary; a saving to be had. As, for instance, these blouses tonight, \$1.05 each; three brand new styles, made up in the finest organdie. Two have touches of embroidery, another is pleated front.

Blouse fashions call for sheer organdie; and the finer new summer blouses are extremely delicate and cool in their dainty transparency.

Every one we sell tonight will bring us more customers, and we'll save them as much as they pay on each blouse they buy. Only 100 at \$1.05 each. Special tonight.

Wonderful Silk Crepe de Chine Blouses \$1.95.

Four fetching styles, one is the Country Club, another, Norfolk, for travel and business wear, White, Flesh and Maize; still another is a heavy Japanese Silk in white only, with the two-in-one collar. Also fetching silk shirting stripes. All in all, a wonderful collection—over 300 of them—for choosing tonight.

Some of the New Parasols

AT \$2.00 there is a charming new parasol of plain silk in colors and black; 8-rib, long straight cane handle.

AT \$3.00 are new black and stripe silks; Persian Silks. Check Silks.

AT \$5.00 are beautiful new black and whites, and ultra color combinations; out-of-the-ordinary shapes, such as our Palm, La Chapeau, Chin Chin, and Senorita; smart handles.

Hundred Or More Summer Millinery \$1.95, \$2.95, \$3.95 for \$3.50 to \$7.50 kins.

They are all in new styles, designed on smart lines and well made.

There are few black and dark colors, but mostly white and light, to go with summery frocks and tailored suits.

Prices amazingly small.

We Are Ready With Clarksburg's Larger and Better Collection of Palm Beach Suits

OF INTEREST TO WOMEN

Washing Fluid.
One can wash, five cents' worth of dry ammonia, five cents' worth of salts of tartar, one gallon of water; use teaspoonful to a boiler of water.

Easy method of washing: Place the soiled clothes in boiler of cold water, to which has been added a little kerosene and shaved soap; place boiler on back part of stove and when water becomes hot (not boiling) removes clothes to tub; very little rubbing is needed; in case of very fine materials, this method of putting on in cold water may be repeated until article is perfectly clean, and no rubbing is necessary.

When vegetables or other foods burn, place vessel in which they are cooking in another vessel of cold water. This keeps the burned flavor from going through the food.

Remove all canned foods from cans as soon as they are opened. Use a brush for greasing pans.

Any Clarksburg physician will back up the assertion that Barley is good for the stomach. Package Breakfast Barley at all grocers—10c.—Advertisement.
